

General Assembly

Substitute Bill No. 6613

January Session, 2001

***AN ACT CONCERNING A STUDY OF ACCESS TO THE PUBLIC
RIGHT-OF-WAY.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 The Department of Public Utility Control, in consultation with the
2 Department of Transportation and the Department of Economic and
3 Community Development, shall, within available resources, conduct a
4 study regarding the appropriate regulation of services offered, on a
5 wholesale or retail basis to Connecticut customers, for the purpose of
6 facilitating the transmission of data, writing, signals, pictures or
7 sounds of all kind between points of origin and termination, whether
8 such transmission is by wireline or wireless technologies. The study
9 shall include a recommendation regarding which providers of such
10 services should be permitted access to the public rights-of-way in the
11 state. Not later than February 1, 2002, the department shall report its
12 findings to the joint standing committees of the General Assembly
13 having cognizance of matters relating to energy and technology,
14 transportation and commerce in accordance with section 11-4a of the
15 general statutes.
